

Women in Nuclear (WIN) Region II Conference

February 06-09, 2011

“Mini Reactors – Mighty Neutrons”

Oak Ridge, Tennessee

Dear Colleagues and Friends:

Attached is sponsorship information about the upcoming Women in Nuclear (WIN) Region II Conference to be held in Oak Ridge, Tennessee, February 06-09, 2011. As a partner in this type work and the missions we share, we would certainly appreciate your consideration of attending, participating as a vendor, and/or sponsoring the event which will be held at Oak Ridge National Laboratory.

Please let me know if I can provide more information that might encourage your attendance as a vendor and/or sponsorship as our deadline for sponsors/vendors' commitment is December 27, 2010 for foreign nationals and January 24, 2011 for US citizens. I think you will find the topics and interaction both interesting and productive, and will provide a great opportunity to share information about your company within this nuclear community. The theme for the conference is “Mini Reactors – Mighty Neutrons.” Technical sessions planned will cover topics associated with small modular reactors, nuclear fuels, and nuclear security. The complete program will be available online soon on the conference website:

<https://info.ornl.gov/sites/gnstd/gssec/meeting5/default.aspx>.

WIN membership, the conference, and the exhibitor fee are all free. However, the support of our vendors and exhibitors is much appreciated and makes the event possible. The exhibitor capacity is limited to 15 spaces and will be assigned on a first come first serve basis. Each exhibitor space will include a 6 foot table and access to an electrical outlet. Other accommodations can be discussed.

Vendor/exhibitor registration is free and accessible at:

<https://info.ornl.gov/sites/gnstd/gssec/meeting5/Pages/exhibitors.aspx>

Please, consider sponsoring the WIN Region II Conference by returning the attached Sponsorship Form with a check payable to “WIN, Oak Ridge Chapter.”

Thank you for your time and consideration.
