Public Outreach

- Maintain active communication with colleagues in the community, business affiliates and former mentees.
- HNP Chapter attended NCSU Escape Camp lunch-HS Srs. Learn strategies & tips in computer skills, math and engineering. The WIN members encouraged interest in the Nuclear side of Engineering.

Networking

- Maintain communications with former mentees & attendees of past WIN events.
- Fleet pairing with ENG groups – most recent WIN/WIN —Women In Nuclear with Women's Insight network.
- HNP Chapter held a Dressing Professionally event at Ann Taylor local shop – What to wear/how to wear & professional dress tricks of the trade.

Professional Development

- Support provided to our membership, who wish to learn, achieve and strive for professional excellence by Networking with peers within the fleet, and in the industry through the exchange of information and experiences.
- Goal to be active and visible in the community for the purpose of promoting nuclear technologies.
- Plans to develop educational events (aimed at grade and high schools, junior colleges, universities) to promote careers in nuclear technologies while educating on the facts of the industry, through various forums, such as Engineers week.
